

ABOUT EVY SOLUTIONS GMBH

Evy Solutions enables fully automated document processing and analysis, as well as process automation using artificial intelligence.

Our product lines offer solutions for the logistics sector, the manufacturing industry as well as insurance companies and credit agencies.

EVY SOLUTIONS

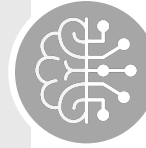

AI • PROCESSED • DOCUMENTS

10 years of research
& development

Founded
in June 2017

Self-developed
Artificial intelligence

Locations in
Cologne, Munich, Leipzig

EVY XPACT & PRODUCT LINES

Evy Xpact is our self-developed AI software that enables our product lines & is highly customizable.

Mailbox Management

Automation of the inbox. Classifying and forwarding incoming emails.

Xpact Production

Pre-trained software for orders that is geared towards the production area.

Xpact Office

Pre-trained software for incoming mail, filing invoices, etc.

Xpact Logistics

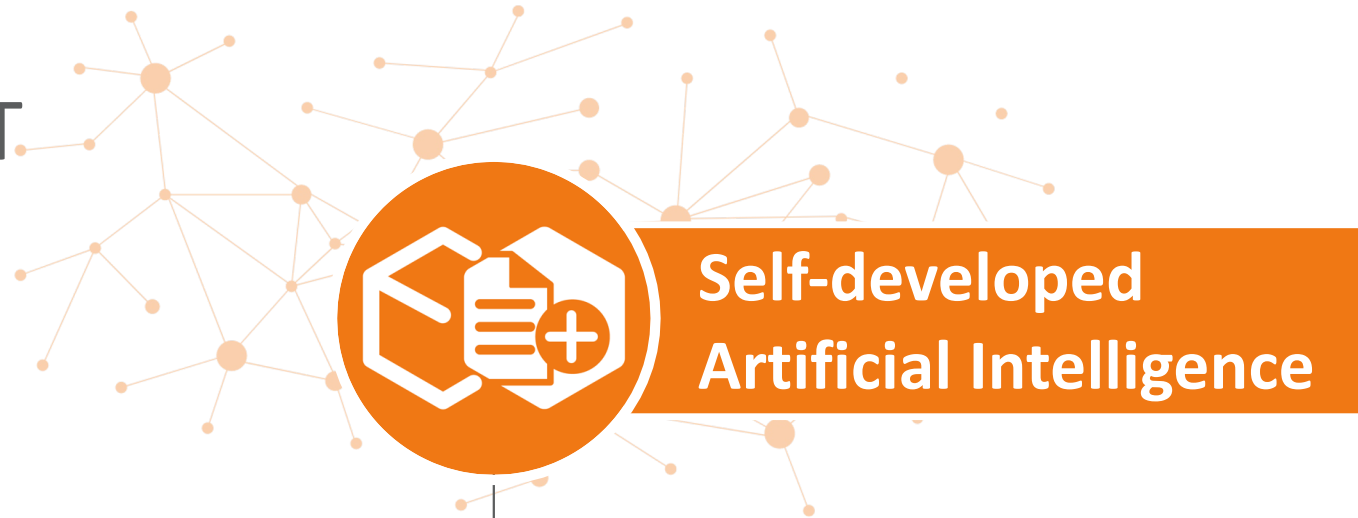

Pre-trained software for transport orders, geared towards the logistics document market.

Individual

Customized software solutions.

USPs OF EVY XPACT

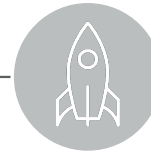

AI Made
in Germany

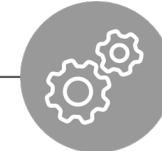

Reading out
e-mail bodies and
attachments

Low amount of
documents required
for training

Pre-trained
software for a
productive start
in 1 to 2 weeks

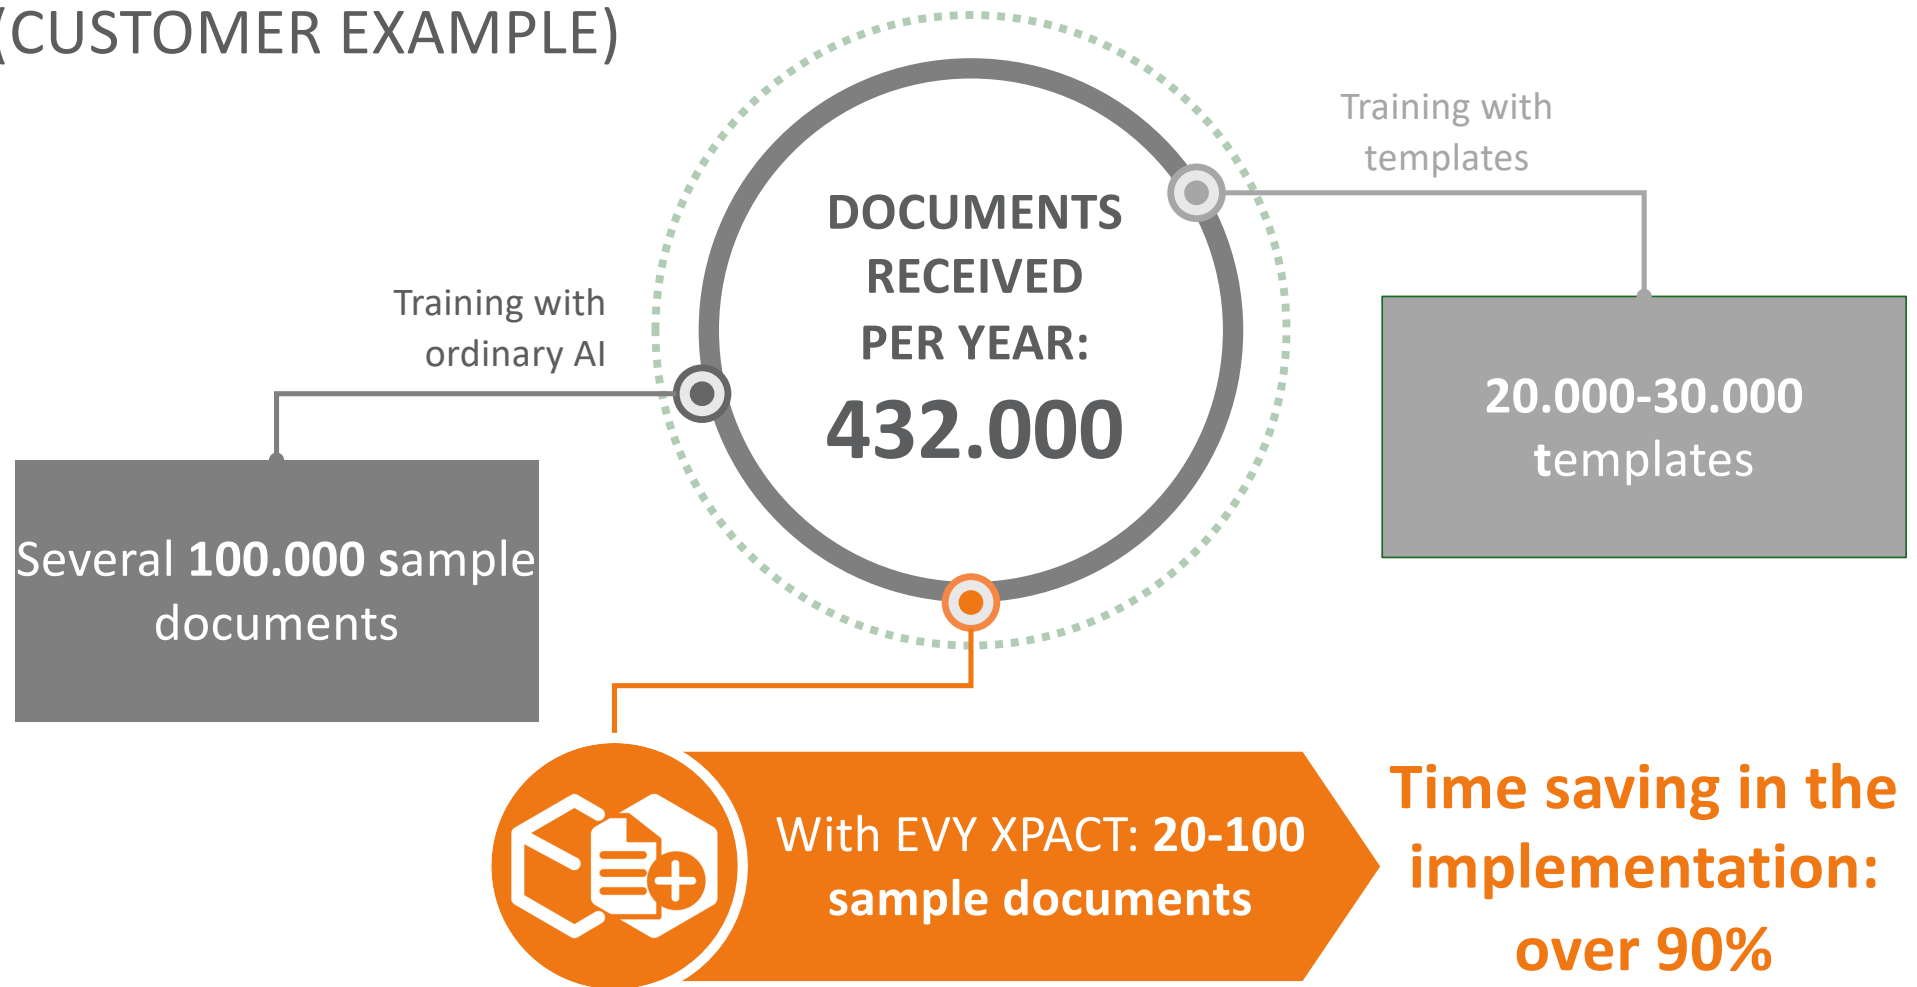

Zero-touch
process

Text-based instead
of position-based

LOW SAMPLE DOCUMENT COUNT

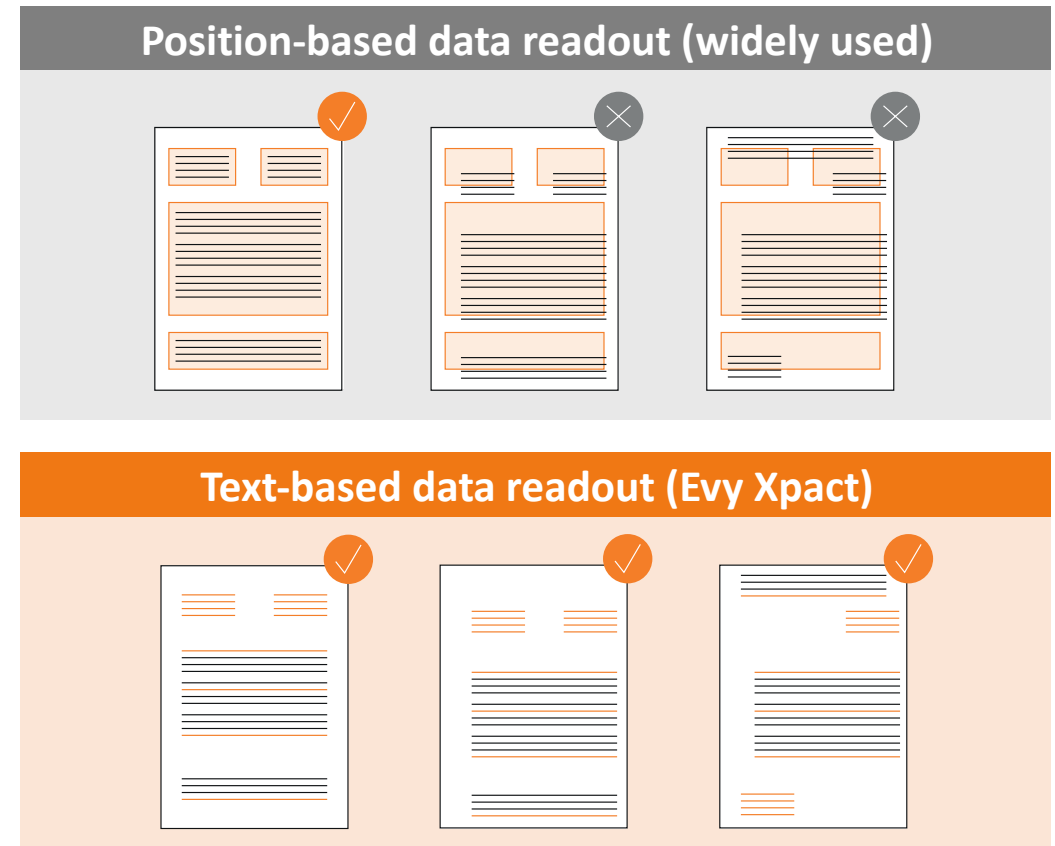

(CUSTOMER EXAMPLE)

TEXT-BASED MODE OF OPERATION

Fully automated analysis and processing,
independent of document structure.

- Evy Xpact does not work position-based, but text-based.
- The content and contextual relationships of the text are recognized and processed.

COSTS & TIME SAVINGS WITH XPACT PRODUCTION

	 MANUAL EDITING	 EDITING WITH XPACT PRODUCTION	
Processing time per order	10 minutes	1 second	99% TIME SAVING
Costs per document	3,29 €	0,35 €	90% COST SAVING

RESULTS & FINDINGS

PROCESS 1

Advantages:

- Continuous monitoring and adjustment ensures constant, measurable improvement
- Quickly adaptable, easily traceable/verifiable
- Optimized result through further adjustments
- Already after 3-4 weeks our AI is more efficient than the employee

Reliability with AI: 99 %

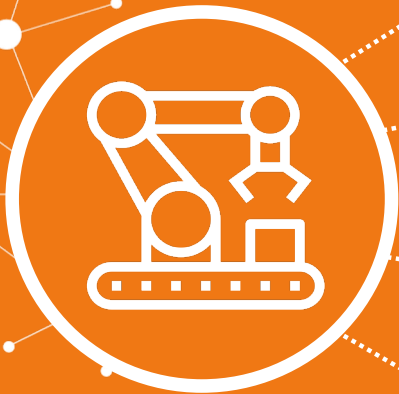

Less than 1 % of the documents still need to be processed manually.

Over 2.000.000 documents have already been processed.

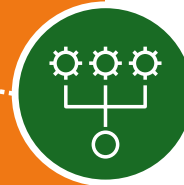

YOUR ADVANTAGES OF XPACT PRODUCTION

Use of Xpact Production
already after 1-2 weeks

Pre-trained
software

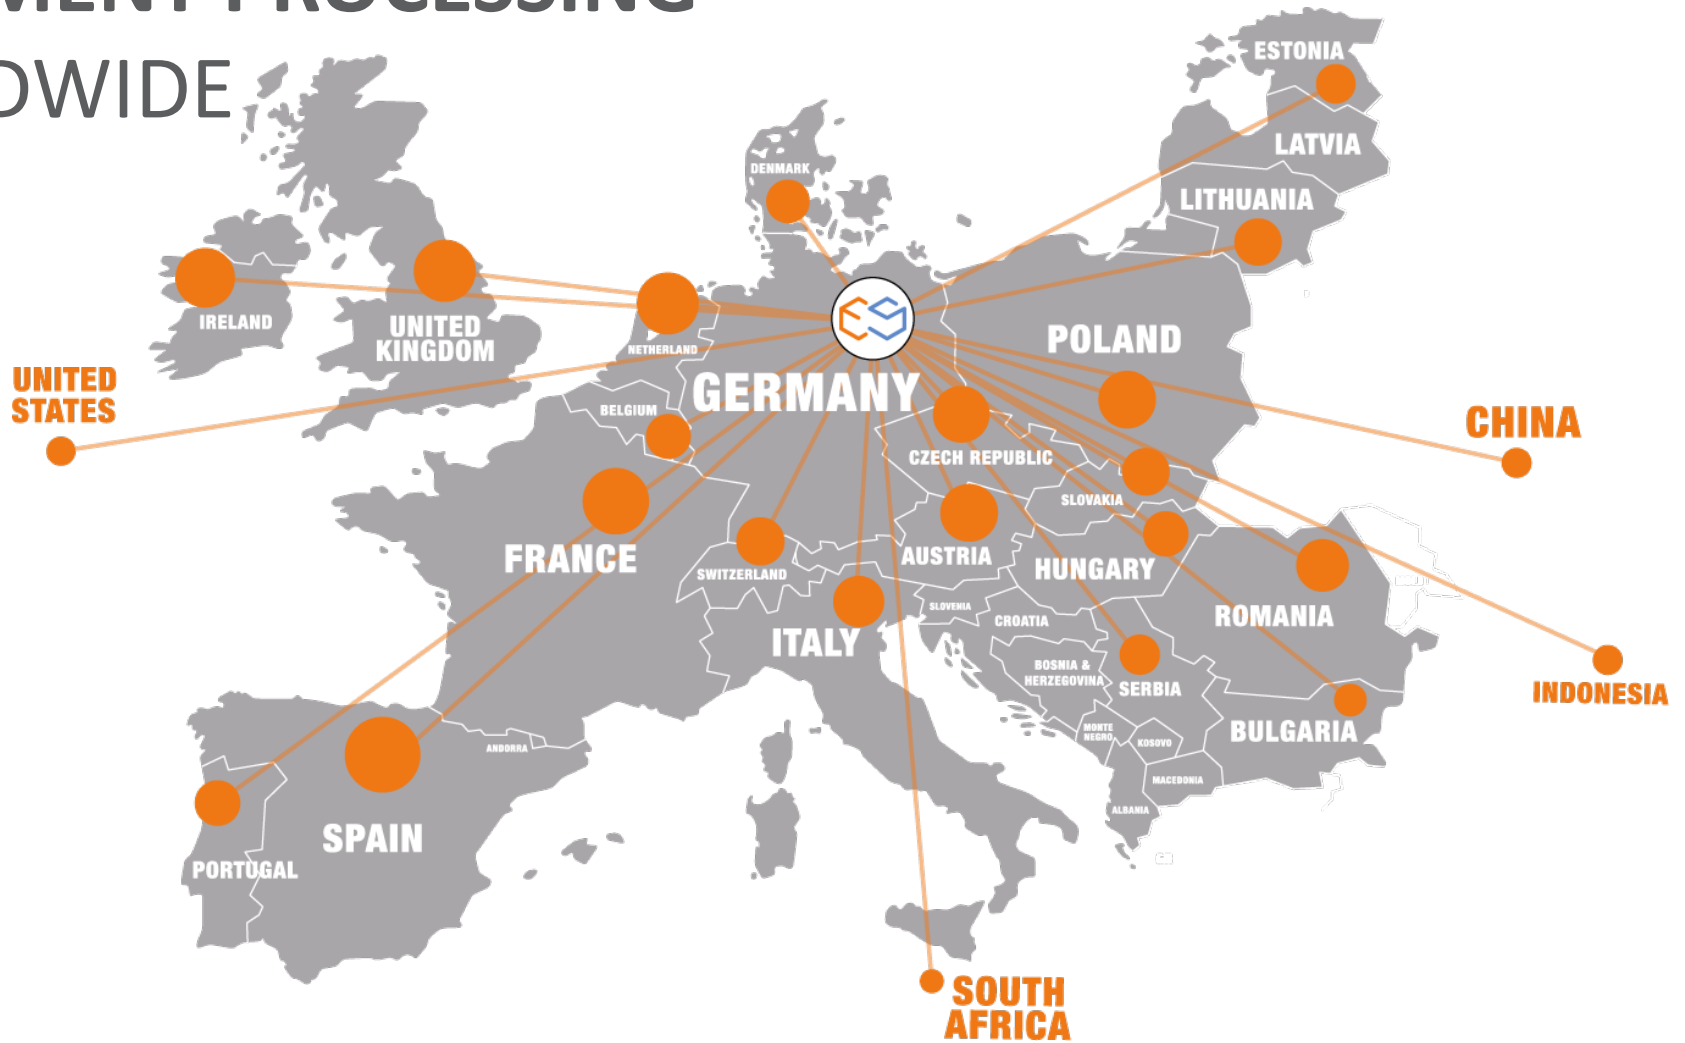

Provision of the
complete workflow

Time & cost savings
of approx. 90%

DOCUMENT PROCESSING WORLDWIDE
