

Reco vs Truth Plots

October 3, 2024

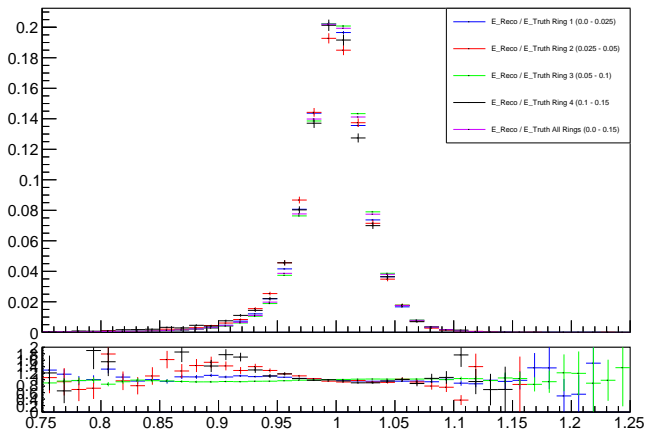

Table of contents

Description

- ▶ Selection - Electrons are first selected based on Eta to determine which section of the calorimeter it is in (Barrel or Endcap).
Then selects FSR photon with smallest delta R (w.r.t. both leading and subleading electrons) - determines the FSR photon pT and the dR Ring which electrons are sorted into.

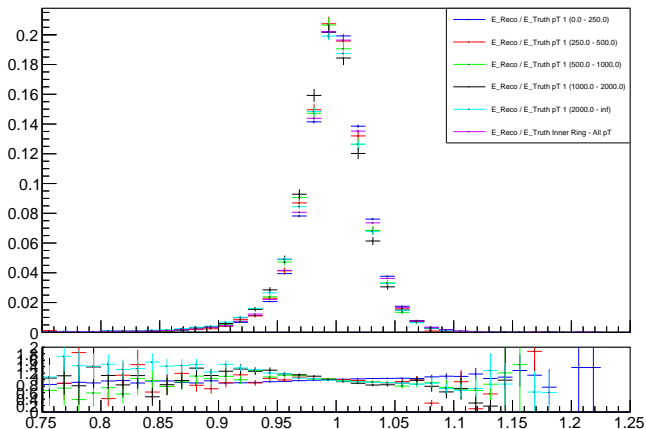

Reco Energy vs Truth Energy - Barrel-Barrel - All Rings

E_Reco / E_Truth - All Rings

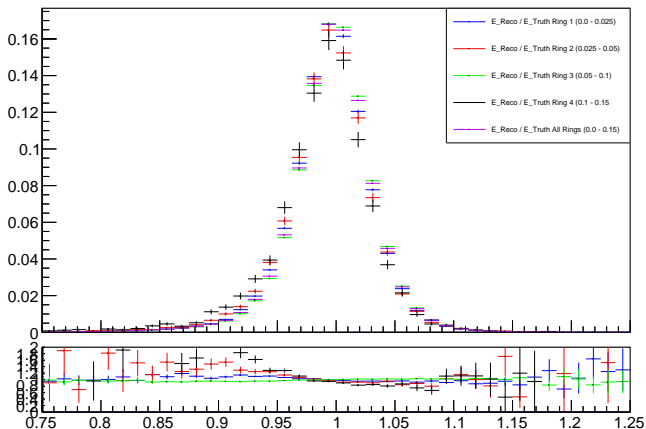

Reco Energy vs Truth Energy - Barrel-Barrel - Inner Ring

E_Reco / E_Truth - Inner Ring (0.0 - 0.025)

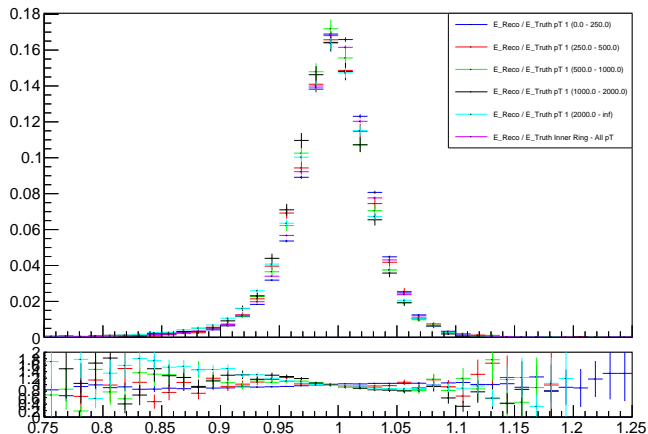

Reco Energy vs Truth Energy - Barrel-Endcap - All Rings

E_Reco / E_Truth - All Rings

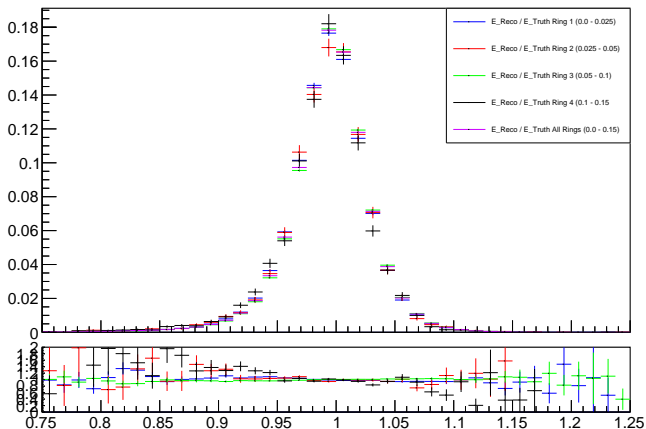

Reco Energy vs Truth Energy - Barrel-Endcap - Inner Ring

E_Reco / E_Truth - Inner Ring (0.0 - 0.025)

Reco Energy vs Truth Energy - Endcap-Endcap - All Rings

E_Reco / E_Truth - All Rings

Reco Energy vs Truth Energy - Endcap-Endcap - Inner Ring

E_Reco / E_Truth - Inner Ring (0.0 - 0.025)
