# Action Items

## [MAIA Paper Planning GDoc](#)

### Major Outstanding Items:

- Next version of performance plots: **by Friday, December 6**
  - Tracking – binning, comment on endcap performance in figure caption (suboptimal)
  - Photons – (*I think done*) resolution plots divided into central barrel, transition, and endcap regions
  - Neutrons – update plots and add to paper
- Respond to comments and circulate next draft: **by Monday, December 9**
  - Hopefully will include results on neutral hadrons
  - Slot in IMCC meeting on **Tuesday, December 10**
