Uli Einhaus

First Calo5D Face-to-Face Meeting

02.12.2024

HELMHOLTZ

- Category: <https://indico.desy.de/category/1107/>
- Zoom [via email or weekly meetings for disruption protection]
- Weekly meetings on Mon 2 pm, 1 h
 - not individually announced anymore
 - meeting minutes and individual contributions
- Face-to-face meeting
 - more participants, publicly visible
- → Do we want to make the category public? Do we want to protect any content?

- Gitlab: <https://gitlab.in2p3.fr/calos5d>
- Place for common code, detector descriptions, algorithms, analyses etc.
- So far:
 - JER, with detailed HowTo use (DESY account, sim+reco workflow, plots, etc.)
 - IJCLab documentation (Yevyenii's thesis, resource access, getting started, etc.)
 - gitlab profile
 - space for lots more!

- https://www.ipe.kit.edu/english/projects_3594.php
- Description of the formal set up and people

More?

- Email list → could easily set up calo5d@desy.de
- Wiki → ?
