

# LHC-D workshop 2007: Higgs Physics

## Monday 8 October 2007

### Jet veto - Hochhaus (14:00 - 15:30)

| time  | [id] title                                                                | presenter               |
|-------|---------------------------------------------------------------------------|-------------------------|
| 14:00 | [0] NLO QCD Corrections for VBF Higgs Production and the Central Jet Veto | Dr FIGY, Terrance       |
| 14:45 | [1] Simulation of Central Jet Veto in VBF Processes                       | Mr HACKSTEIN, Christoph |
