

Searching for Cosmologically-motivated Dark Showers at the LHC

Generate MC samples, investigate sensitive variables

Group

FH-CMS

Project Category

B1. Physics data analysis and performance (software-oriented)

Special Qualifications

Strong physics background, experience in data analysis, MC generation, and in particular, C++

DESY Site

Hamburg

Primary authors: STAFFORD, Dominic (CMS (CMS Fachgruppe Searches)); BLEKMAN, Freya (DESY/University of Hamburg)

Presenter: STAFFORD, Dominic (CMS (CMS Fachgruppe Searches))
