

An aerial photograph of a sprawling industrial or military complex. The facility is characterized by numerous large, white, rectangular buildings, some with flat roofs and others with more complex structures. A prominent feature is a large, curved road or path that winds through the site, lined with parked vehicles and trailers. The complex is surrounded by dense green trees and forested areas. In the upper left, there are patches of cleared land and construction activity. A large, white, rounded rectangular sign with the word 'WELCOME!' in bold, black, sans-serif capital letters is superimposed over the center of the image.

WELCOME !

Monday, November 3

The map shows the layout of the FAIR 2019 venue. Key areas are highlighted with callouts:
