11th MT Annual Meeting

Wednesday, November 5

- 9:00 - 10:45 parallel sessions
- 11:15 - 12:55 plenary session
- **(QUICK) LUNCH !!!!**
- **Departure for the tours** →

An aerial photograph of a large, sprawling industrial or research facility. The complex features numerous large, white, rectangular buildings with flat roofs, some of which have solar panels installed. The facility is surrounded by dense green trees and forested areas. A winding road or path runs through the center of the complex, and several parking lots filled with cars and trucks are visible. In the background, there are more buildings and a large, open field. The overall scene suggests a large-scale industrial or research operation.

Guided Tours
