

View from the ECR's

Felix Egle on behalf of the ECSB
21.07.2025

Who are we?

The ECSB

- > ECSB: Early Career Scientists Board
- > Representatives (PhDs and Postdocs) from all research groups within FH
- > Direct communication of young scientists with FH-Director

Overall Goals

- > Identify issues/concerns that affect ECRs and bring them forward
- > Develop ideas for and/or organise events that are of interest for ECRs
- > Serve as a sounding board for the FH director on decisions that affect ECRs
- > Engage the ECRs to take an active part in the development of ideas at DESY, in HEP or beyond

Colloquium survey upcoming

Overall colloquium attendance is low.

Restructure of the program is ongoing → inputs from ECSB is needed

Feedbacks are welcome!

- Cooperation with colloquium task force
- We are preparing a survey to better understand what works what doesn't
 - Survey is ready but needs approval and fine-tuning

Please fill it out, as soon as it become available, so the colloquium can be improved

Projects

Events

- > Joint DOIT/ECSB barbecue took place on 12.06.2025:
 - Networking/advertising of the ECSB (we need to further increase our visibility)
 - Increase connections to other groups representing ECRs at DESY

Ongoing Projects

- > Dual use/security relevant research survey: gather opinions among ECRs regarding security relevant research at DESY
- > Town Hall meeting:
 - Many different ECR groups (DOIT, HAPPN, COAST, DESY Zeuthen, ...) present at DESY
 - Organize event to connect with representatives of other groups
 - Unification of ECR boards?

Other Inquiries/Requests

Questions/Inquiries from ECRs

- > Walkability/accessibility at DESY campus
 - Pedestrian crossing at bus stop „Zum Hühnengrab“?
 - In general: put more focus on a walkable campus
- > Current state of building 2a

The ECSB within the FH

Discussion Points

- > Overall good modus operandi with regular meetings with the FH directors, continue this into the future
- > Overall goal, perspective of the ECSB?
- > Role of the ECSB within DESY, setup of representatives of ECRs for all of DESY?

Outlook

Summary

- > The ECSB tries to make the voices of ECRs in FH heard
