## Programme PIER PhD Reception 2025

Since 2013, the PIER Helmholtz Graduate School is the home of doctoral researchers in the PIER research and competence fields.

It is our pleasure to honour this year's graduates, and to welcome all new doctoral researchers from all over the world to our graduate school.

With this reception, we would like to thank all of you who make the graduate school such a lively community for exchange, learning and research.

Please register latest by 9 July here:
