

# Navigating Cost Transparency

**From:** 17th March 2026

**To:** 19th March 2026

**At:** DESY Hamburg, Bldg. 28c 

Co-create the route map for openCost's next phase and connect with peers advancing cost transparency in scientific publishing!

## Agenda:

- openCost: outlook & priorities
- Developing a cost data model for institutional demands
- Expansion of the exchange format
- Electronic Journals Library (EZB): Expansion to OA agreements
- Connecting OA infrastructures
- Standardization in practice
- Institutional insights
- Real-world use cases
- Collaborative approaches to sustainable Open Access

## Interactive poster session:

Show your work, exchange ideas and inspire the community!
