

Session Program

17-18 Nov 2025

25th Anniversary of the First Lasing at TTF (now FLASH) - International Symposium

Key Technologies

DESY, Auditorium
Hamburg campus: Notkestraße 85, 22607 Hamburg

Monday 17 November

15:10

Key Technologies

Session | **Location:** DESY, Auditorium, Hamburg campus: Notkestraße 85, 22607 Hamburg

15:10–15:35

TTF FEL: Lessons Learned from the First Lasing to Saturation

Speaker

Mikhail Yurkov

15:35–16:00

Development of High-Brightness Photoinjectors for FLASH and European XFEL

Speaker

Frank Stephan

16:00–16:25

Superconducting RF Linacs and FELs - a Successful Partnership

Speaker

Hans Weise

16:25–16:50

Challenges in Numerical FEL Simulations

Speaker

Sven Reiche

16:50–17:15

Advanced Photon Diagnostics and beamlines for (X)FELs

Speaker

Kai Tiedtke

17:15
