

**XII. Research Course on X-Ray Science
'Theoretical Foundations of
Research with X-ray Free Electron Lasers and Synchrotron Radiation
Sources'**

Contribution ID: 0

Type: **not specified**

Properties of X-ray FEL and synchrotron radiation

Wednesday 20 March 2013 10:30 (1h 30m)

Presenter: GELONI, G. (XFEL)

Session Classification: Session 1
