

**XII. Research Course on X-Ray Science
'Theoretical Foundations of
Research with X-ray Free Electron Lasers and Synchrotron Radiation
Sources'**

Contribution ID: 5

Type: **not specified**

**Nuclear and electronic dynamics triggered by
ionization: Theory, computational approaches and
examples**

Thursday 21 March 2013 11:30 (1 hour)

Presenter: VENDRELL, O. (CFEL)

Session Classification: Session 2
