

**XII. Research Course on X-Ray Science
'Theoretical Foundations of
Research with X-ray Free Electron Lasers and Synchrotron Radiation
Sources'**

Contribution ID: 4

Type: **not specified**

**Higher-order spectroscopies: resonant scattering
and pump-probe experiments**

Thursday 21 March 2013 09:30 (1h 30m)

Presenter: VAN VEENENDAAL, M. (APS, Argonne)

Session Classification: Session 2
