

**XII. Research Course on X-Ray Science
'Theoretical Foundations of
Research with X-ray Free Electron Lasers and Synchrotron Radiation
Sources'**

Contribution ID: 8

Type: **not specified**

**Ultrafast laser-induced magnetization dynamics:
experiments and theory**

Friday 22 March 2013 09:30 (1h 30m)

Presenter: KOOPMANS, B. (TU Eindhoven)

Session Classification: Session 3
