

Theorist of the Week

- ✦ The original idea was
 - to have a visitor in every months
 - to promote mainly young theorist from the Alliance community
- ✦ Our guest stays for a week, available for discussions (private and organized), gives a talk (DESY Seminar or Analysis Centre Seminar) and go home....
- ✦ We might want to call it “Theorist of the Month”...

Theorist of the Week

- from Kerstin/Frank Tackmann: Iain Stewart (MIT)
- from T. Kuhl: Generator- and NLO people (keywords reweighting etc.)
- from Zoltan: Mike Seymour, Peter Skands, Leif Lonnblad, Bryan Webber, Gavin Salam, Robert Thorne, Thomas Gehrmann, Gudrun Heinrich, Walter Giele, David Kosower
