

TOP 2013 - 6th International Workshop on Top-Quark Physics

Wednesday 18 September 2013

Top properties and new physics - Raum Straßburg (08:30 - 10:50)

-Conveners: Kevin Kroeninger

time	[id] title	presenter
08:30	[32] New physics in top pair production (20'+10')	LYSAK, Roman
09:00	[33] New physics in single top quark production (30'+10')	KIND, Oliver Maria
09:40	[34] FCNC in top production and decay (20'+10')	YAZGAN, Efe
10:10	[31] New physics including SUSY and alternative models in top properties (30'+10')	GODBOLE, Rohini Madhusudan
