

Physics in Intense Fields (PIF2013)

Tuesday 9 July 2013

Processes and Solutions - Seminar Room 4a/b (14:00 - 15:30)

time	[id] title	presenter
14:00	[14] Nonlinear double Compton scattering in the ultrarelativistic quantum regime	Dr DI PIAZZA, Antonino
14:25	[3] Resonances in the 2-vertex Furry picture processes and their potential experimental verification	Dr HARTIN, Anthony
14:50	[26] Analytical Solutions of the Dirac and the Klein-Gordon Equations in Plasma Induced by High Intensity Laser	RAICHER, Erez
15:10	[17] Fermion production in inhomogeneous electric fields	Dr HEBENSTREIT, Florian
