

WP3 – Coordination and Consolidation of Joint Technical Developments

E. Seddon, STFC
Ch. Gerth, DESY

1. Intro: Presentation of WP3 structure
2. First proposals for joint technical developments
3. Definition of criteria for prioritization of joint technical developments
4. **Formation of committee for prioritization of joint technical developments (WP3.1)**

WP3.1 Committee

- **2 delegates from each institute**
 - 1 accelerator
 - 1 photon science
- **Delegates should have a broad overview in the field of FELs and light sources**
- **Delegates of beneficiaries to decide.**
 - Potential beneficiaries are welcome to make proposals and participate in the discussion.**(vote? – decision will be made by GA).**

WP3.1 Committee

Commitment of Delegates:

- Attend workshop in July 08 for prioritization of key technical issues.
- Attend workshop (end of project) for evaluation of effectiveness of working groups.
