

Mini Workshop on "Characterization of High Brightness Beams"

Thursday 29 May 2008

Afternoon session I - S3 (14:00 - 15:25)

time	[id] title	presenter
14:00	[45] Space charge codes benchmarking using a DC gun	
14:25	[46] On the LCLS slice emittance measurement method	
14:45	[47] On the slice emittance measurement method and results at FLASH	RÖHRS, M.
