

Mini Workshop on "Characterization of High Brightness Beams"

Thursday 29 May 2008

Morning session II - S3 (10:50 - 12:50)

time	[id] title	presenter
10:50	[41] (no title)	
11:20	[42] Measurements of CSR and its Impact on the LCLS Electron Beam	HUANG, Z.
11:50	[43] about comparison of transverse phase space in simulations and measurements at FLASH	PRAT, E.
12:20	[44] about comparison of longitudinal phase space in simulations and measurements at FLASH	BEUTNER, B.
