

Mini Workshop on "Characterization of High Brightness Beams"

Thursday 29 May 2008

Afternoon session II - S3 (15:50 - 18:00)

time	[id] title	presenter
15:50	[48] Slice emittance measurements at PITZ using energy chirp in booster	IVANISENKO, Y.
16:10	[49] Slice emittance measurements at PITZ using quad scan with streak readout	SPESYVTSEV, Roman
16:25	[50] Slice emittance measurements at SPARC	MARCHETTI, B.
17:05	[51] further contributions and general discussion
