PANIC 2014 - Particle Physics and Nuclear Physics International Conference  
Date: 2014-08-24 - 2014-08-25

Event Venue

PANIC 2014 - Particle Physics and Nuclear Physics International Conference  
The 20th International Conference on Nuclear Physics (PANIC 14) will be held in Hamburg, Germany from 25th to 29th August 2014. This conference is the 20th in a series of conferences which bring together the Nuclear Physics community. The scientific programme consists of plenary talks and sessions.

The scientific programme covers a wide range of topics at the interface of nuclear and astrophysics, devoted to recent discoveries. The conference is hosted by DESY, the Institute for Experimental Physics at the University of Hamburg.
