## LaTeX template for PANIC14 proceedings

Joe Smith<sup>1</sup>, Ruth Miller<sup>2</sup>

<sup>1</sup>DESY, Notkestraße 85, 22607 Hamburg, Germany

<sup>2</sup>CERN, 1211 Geneve 23, Switzerland

DOI: will be assigned

Place your abstract here. It should not exceed 100 words. Please do not modify the style of the paper. In particular, do not change width and height of the text and observe the page limits. Please don't use footnotes in the abstract or title. Please update your INDICO contribution ID in the L<sup>A</sup>T<sub>E</sub>X file (see below).

### 1 Submission

The deadline for submission of contributions is *15 October 2014*. After this date we cannot guarantee the acceptance of your article to the proceedings.

Proceedings should be prepared in L<sup>A</sup>T<sub>E</sub>X using this template.

Please prepare your manuscript according to the following instructions. *Do not change* width and height of the text. Your article must not exceed the page limit listed in Tab. 1. Please submit the source files (tex and figures (and additional L<sup>A</sup>T<sub>E</sub>X packages, see below)) together with a PDF (or PS, though PDF is preferred) file. Send the files—maybe as a tar file—via email to [panic14-procs@desy.de](mailto:panic14-procs@desy.de).

Plenary talk	8 pages
Parallel talk	4 pages
Poster	4 pages
