LHCPHENONET

Monday 24 November 2014

Monday afternoon II - Einstein-Hall (16:30 - 18:00)

time	[id] title	presenter
16:30	[26] Sophisticated computer algebra technologies for Feynman integrals	SCHNEIDER, C.
17:00	[17] Estimation of uncertainties from missing higher orders in perturbative calculations	CACCIARI, M.
17:30	[29] Performing loop calculations with a Differential Equations Method	WEVER, Chris
