

The European XFEL Users' Meeting is an annual opportunity to strengthen the interaction between the European XFEL project and the scientific user community. The scope of this meeting includes:

- Progress and current status of the European XFEL
- Instrument design developments & advances
- Selected science applications
- Current developments in the field of XFEL facilities

Registration: www.xfel.eu/2016-users-meeting

Programme

27 January 2016

Plenary sessions with project status and progress reports
Science session with special topic:
Key advances in FEL methodology

28 January 2016

Joint session with DESY Photon Science Users' Meeting:
Soft X-ray FEL experiments
Afternoon:
Scientific Instrumentation Workshops

29 January 2016

Poster session

Bursaries for young scientists

We are able to offer a financial contribution, depending on distance, towards travel and living expenses to a limited number of young scientists. Eligible are all science graduate students or recent PhDs (doctorate granted after 1 January 2014).

To apply, send a request to usersmeeting@xfel.eu by **10 December 2015**, with a CV including the topic, the name of the thesis advisor, and university of your PhD work, as well as the date you received your doctorate (or the expected date, if you did not complete it yet).

Organizing committee:

Massimo Altarelli, Silvia Bertini,
Christian Bressler, Imke Gembalies,
Anders Madsen, Adrian Mancuso,
Michael Meyer, Serguei Molodtsov,
Andreas Scherz, Andreas Schwarz,
Thomas Tschentscher, Ulf Zastra
